

CHANDRA ADAM PRATAMA

Full Stack Engineer

Yogyakarta, Indonesia | Phone: [+62 857 0038 3103](tel:+6285700383103) | Email: chandraadampratama@gmail.com

SUMMARY

Full Stack Engineer with approximately two years of experience in developing web applications. Currently employed at RSUD Prambanan, where I utilize Next JS (React JS) for front-end projects and PHP (CodeIgniter) with MySQL for back-end solutions. Adept at creating efficient, user-friendly applications and eager to leverage my skills in a challenging role with a focus on artificial intelligence.
